**Wedding Cakes** Your wedding cake should be a reflection of your style and tastes. The newest trend is to serve cake and bite-sized desserts for the final exclamation point of your reception.

**Cake Alternatives** You don't actually have to serve wedding cake at your reception if you don't want to. Plenty of couples are making their own traditions by serving a variety of mouthwatering wedding desserts. Or serve a smaller version of your favorite dessert for the "cake ceremony" and a dessert table to enjoy.

**Sweet Late Night Bites** Send them home with one more bite of delicious, sweet late-night bites.

## WEDDING CAKES

Our wedding cakes are surrounded in a fluffy buttercream frosting. Each tier can be a different flavor (double fudge chocolate, vanilla, carrot, red velvet, salted caramel, orange, key lime, lemon, strawberry come to mind) and each tier with a different filling (cherry, strawberry, lemon, pineapple, lime, raspberry, custard, vanilla, caramel).

Three Tier Wedding Cake: serves 90+ guests  
Two Tier Wedding Cake: serves 60+ guests  
Single Tier Wedding Cake: enough to go home

We offer cake stands, cake plates and forks, and cake serving sets.

# CHEESECAKE, ANYONE?

A tiered cheesecake will look (and taste) ultra-decadent and satisfying as a beautiful alternative to traditional wedding cakes.

Our mini cheesecake desserts consist of mixtures of soft, fresh cream cheese, with a hint of vanilla or lemon, a bottom layer of crushed cookies or graham crackers, and toppings that will convert even your guests who don't eat cheesecake.

# CREAMY SHOOTERS

Want to offer your guests something sweet and perfectly portioned at the end of a filling meal? Mini shooters are a delicious addition. Each shooter complements your cake selection with fruity fillings and an element of surprise. Served in adorable miniature shot glasses with mini spoons.

Perfect for grab and go treat and then back to the dancing!

# MINI TARTS

There are dog people and there are cat people. Similarly, there are cake people and there are pie people. Dainty and light, these tarts feature our favorite textures - crispy and creamy, all in one yummy morsel. They look pretty and delicious at any dessert station and are less cumbersome than slices of pie. LOVE PIE? We can provide delicious pie as well.

# SOMETHING DIFFERENT

Evoke nostalgic memories of bake sales with an assortment of desserts. Our donut and churro stations come with a variety of toppings for guests to select their masterpiece, or add the "grab and go" desserts to your dessert station. These selections are light enough to keep your loved ones dancing but delicious enough that they won't feel cheated out of dessert.
