

Xavier Lewis

If you will, allow me to Officially introduce to you R&B SOUL, Recording Artist, Xavier Lewis! He was born in Queens, NY, raised in Miami, FL and now resides in the ATL! His rich and powerful voice gets a crowd on their feet with melodies he performs from past to present as well as original Hits of his own!

They call him, "The Antidote to R&B" so we say, "Let the HEALING Process Begin!" He puts that City Swag on Southern Soul and even Steve Harvey had to give his 55 million listeners a dose of Xavier's good ole soulful medicine as seen here: <http://youtu.be/ZfLeS69cLSw>

His Hit Single entitled, "Georgia Clay" not only got a National plug but the Official Music Video, Directed by Multi-Grammy Nominated Producer, Mil Cannon got it's debut. Check it out here - <http://youtu.be/HBtrronKxV4>
