Judgement House is over. We have put everything back in the box and we continue on, BUT have ***we*** been changed?

What work is God doing in each of our lives. We are entering the season when gratefulness and thankfulness is on our minds and lips. We should shout and sing praises to the God who sent His Son, gave His life, and blesses our socks off each and every day with His presence. The battle rages on all around us, so take God's Word to heart and follow the advice of blessed saints who have gone before us.

"Live every day as if the Son of Man were at the door and gear your thinking to the fleeting moment. Just how can it be redeemed? Walk as if the next step would carry you across the threshold of Heaven. Pray. That saint who advances on his knees never retreats." -Jim Elliot
