Intimacy with God

Intimacy with God is a profound and personal relationship between an individual and the Creator, characterized by closeness, trust, and deep spiritual connection. This concept is central to the Christian faith, as it reflects the believer's desire to know God more fully and to experience His presence in everyday life. James 4:8 says, "Draw near to God, and He will draw near to you."

It has been said that God doesn't move away from us, we move away from Him. Perhaps you have sin in your life or just sense God's Spirit calling you into a deeper relationship. In the next several weeks we will explore what God's word says about intimacy with our loving Father, examples, and how to grow closer to God on a daily basis.
