Board Meeting Minutes
August 20, 2024

Aug 2024
7951.00
34,522.05

Attendees:

Bonnie L. Smith, President/Secretary
Patty Miller, Treasurer
Dave Weisgerber, Board Member
Tim Leach, Board Member
Shane Slee, Board Member

Absent:

None

11,879.00

Bonnie called meeting to order at 6PM.

Kevin Robles tendered his resignation from the board effective immediately.

Patty reports that the Treasurer's report has not changed. Patty advises that she is working with the County zoning and tax assessor to get our name officially changed and the fine for the complaint has been waived. The county will look into how we can get a primary use for zoning so we can keep containers and permit them.

There are two options for a neighborhood reinvestment community grant from the County Board of Supervisors which we can use for "betterment of community." Patty will try to obtain some grant funds that also include money for postage, as just having a non-profit postage permit now costs \$320/yr.

Bonnie advised she attended the Warner Springs Community Sponsor Group meeting last weekend and learned about SDGE's under grounding of the power and the project for Ranchita will be starting in December of this year. Also, discussion on the high power electric lines that SDGE wants to bring up Grapevine Canyon to S22 to the VID property and over into Palomar Mountain. Bonnie advised that Palomar Mountain residents are starting their outreach in order to fight their proposal for coming thru the State Park. Ranchita residents should become aware of this.

The San Diego County Sheriff's Lt. Jeff Ford of the Julian Substation did a presentation of the license plate readers that are coming to the backcountry. There has been an uptick in theft in Julian, Borrego Springs, Ranchita and the Los Tules are of Warner Springs. One license plate reader will be installed near Shelter Valley and another one in the vicinity of Warner Springs. These readers have recovered many stolen vehicles and information will be kept for 30 days unless there is an active investigation. The S/O asked that we distribute this information to our community members as they are obtaining feedback until the end of August. The County Board of Supervisors will be voting on it in September and the cameras installed at the end of this year or early January.

Motion to Adjourn by Bonnie, Patty second.

Meeting adjourned at 6:45PM

Prepared by Bonnie L. Smith, President/Secretary
