Don called the meeting to order at 6:00PM.

The Board has become aware of recently installed Board Member, Miguel Estrema's Megan's Law status. Each person attending this meeting had 2 opportunities to express their concerns and ask questions of the Board as well as to Mr. Estrema. The Boards' majority agreed that the MVVCSO needs to focus on the community and the well being of all citizens and children of Ranchita. Mr. Estrema voluntarily resigned from the Board without further action taken.

Don asked if Bonnie could contact the County road department to see if more dirt could be delivered to Lease & Landmark roads as The Thompson family had a washout in the area.

Don announced his wife has taken a job with the Post Office in Tennessee and that they will be moving. He resigned the Presidency effective immediately.

Meeting adjourned 6:49PM.
