Bonnie called meeting to order at 6PM.

Treasury report by Patty; \$39,044.66.00 account 1, \$7,871.00 in the grant account. Deposit of \$905 made from Christmas party proceeds.

The Christmas party was a success and positive feedback from all. Thank you to all of our board members who helped put this on for our community.

Discussion ensued on people leaving "stuff" at the mailboxes and being left there for days until someone disposes of it. Dave has removed the debris and discarded it. The mailboxes are not a donation drop off point nor a trash collection point. Motioned by Tim, second by Shane, we will order some type of solar lights for the cargo containers that will come on when motion is going on or near our containers and perhaps deter people dropping their trash near our lot.

We will discuss our next event at the next month's meeting.

Dave motioned, Patty second.

Meeting adjourned at 6:18PM
