Bonnie called meeting to order at 6PM.

Patty gave Treasurer's report: \$32,719.35 main account, \$7,951.00 grant account, \$11,879.00 historical account. Total: \$52,549.35. Patty inquired about the timing of the By-Laws being sent to Jamie Lee Beals Ketelsen and Bonnie advised they would go out by end of the week.

Shane asked about any new grants becoming available for road maintenance. No one has had time to do any extensive research on this topic. Discussion that all roads are private and residents are responsible for maintaining them for ingress and egress.

Bonnie advised that the Rural Roundtable has grown with neighboring communities and the County of San Diego is now attending via zoom. The County has asked that we submit to them what type of services our community of Ranchita needs. Bonnie advised that a community survey was passed out at our Feeding San Diego food distribution and attendees anonymously marked what services they would use if we could bring them to a distribution in the future. Categories asked were: dental, eye exams, vaccines, or other. Most people would take advantage of all of them and hearing was also suggested.

The topic of our next community event was discussed and due to unknown weather conditions, this item will be tabled until the March meeting.

Patty motioned, Dave second.

Meeting adjourned at 6:22pm.
