Bonnie called meeting to order at 6:05PM.

Patty Miller advises that no changes to the bank statements since October's meeting. Our two property tax bills have been received and the total due is \$13.08.

Patty announced she has been successful with the County and Cal Fire in obtaining access to our Fire Station #58 for our upcoming community Christmas Party. We have set a date for December 17th from 3-6pm. The board will purchase 2 turkeys, 2 hams and the community will contribute with a potluck as in previous years. Sandy and Dave will handle the raffle side and Patty and Starlene will handle decorations.

Patty will inventory the current Christmas decorations and advise what we may need for supplies. A newsletter will go out to the community this week letting everyone know of this great news!

A budget was discussed and all agreed that a new tree will be purchased for this event.

Shane has volunteered to be our Santa Claus.

Dave motioned, Shane second.

Meeting adjourned at 6:23PM
