I, Bonnie L. Smith, hereby resign from my duties of President and from the board in it's entirety. The threatening harassment from Nick Ketelsen is uncalled for and taxing. I wish the the community good fortune.

Thank you for allowing me to serve Ranchita during the past few years.

Sincerely,

Attn: Patty Miller, Treasurer

Nick's vitriol and unwarranted hatred for the board and to that extent the community has gotten to the point where I no longer want to stay on the board. His obstinate refusal to accept the facts is unbelievable and hard to swallow. I have stated and will swear to the fact on a stack of Bibles that I am the secretary of record. Due to my hearing loss Bonnie graciously agreed to take notes and prepare the minutes. The only mistake we made was thinking nobody would be bothered by her dedication to the board and the community. Nick's doggedness to destroy her personally and probably professionally has gotten to the point where I can no longer sit by and watch him try to destroy a friend for his own selfish obsessions. I hereby resign from the board, this time with clear thoughts, permanently resign from the board effective 9:00am Monday, March 31, 2025.
