To whom it may concern:

Please use this letter as a recommendation for Gary Freedman and Milestone Mergers and Acquisitions.

We recently completed the sale of our company, Federated Mortgage, to Capital Mortgage Services. Gary's help and advice during the process was invaluable. He introduced us to multiple potential buyers and ultimately helped us find the ideal partner for us.

He came to visit us on multiple occasions and was with us every step of the way. Gary's ability to keep the transaction moving forward during the inevitable "bumps in the road" were the difference between the deal closing and not.

The Post Acquisition services provided by Milestone were amazing and were provided at no additional cost to us. His knowledge and experience in merging two companies together made the transition remarkably smooth.

I strongly recommend Gary to anyone considering the purchase or sale of a company. His experience and commitment to getting the deal closed makes him a great resource for companies looking into the M & A Market.

Sincerely,

Brent Ewing
President, Federated Mortgage
