Gary,

I would like to extend my sincere gratitude for the time, effort, and expertise you dedicated to assisting with the acquisition of VA Wholesale Mortgage. The successful completion of this transaction would not have been possible without your guidance.

Your ability to not only identify the appropriate acquisition target but also manage the entire process—from sourcing and due diligence through negotiations, closing, and post-acquisition support—was truly exceptional. The professionalism and diligence you demonstrated at every stage were critical to ensuring a seamless experience.

It was a privilege working with you, and I would gladly recommend your services to anyone considering the purchase or sale of a company.

Thank you once again for your invaluable support throughout this process.

Best regards,

Mark Hanna

President and CEO, The Bank of Glen Burnie
