

For years Macomb County residents supported the Angie's Toy Chest event held in December every year bringing toys for countless kid's Christmas. For more than two decades significantly elevating the Toys for Tots campaign year after year. Then after a five year hiatus, Angie's Toy chest event came back in 2023 and will once again take place in 2024. Save the date of December 5, 2024 for this year's event being held at Penna's of Sterling.

Thanks to the dedicated efforts of Staff Sergeant Anthony Palagallo and Sergeant Larry Bogus, last year's drive not only helped exceed every goal set for the year but also played a pivotal role in propelling the Detroit Marine Toys for Tots Campaign to national prominence, ultimately earning it the distinguished title of the National Marine Campaign for the foundation in 2023.
