

Digital Billboard Design Specs

Artwork Requirements

Files need to be set up at 192 pixels high by 528 pixels wide.

Yes, it does seem low resolution, but it is EXACTLY what the digital billboard displays. Don't worry - it will look just fine!

Keep in mind that text works best at approximately 8" to 10" in height (about 12 to 15 pixels in height) or larger.

Accepted File Types

Files can be submitted as .jpg or .png files only

Files cannot be any larger than 1 MB

File Submission

- e-mail to your Account Executive and CC our Designer

	Height	Width
Actual Billboard Display Size	10 ft 6 in	28 ft 10-7/16in
