About THE SHADES:

The Shades is an **HUB-Certified business** providing sustainable and energy-efficient window treatment solutions in North Carolina area. Our extensive product range, sourced from both leading US and overseas manufacturers, is matched by trusted, reliable and efficient customer support. Known for the fastest production time in the industry, we consistently meet tight deadlines. As a diverse market vendor, we are proud to serve government agencies, commercial clients, and private residents in Durham, Apex and Raleigh areas which further cement our reputation as a dependable partner for your window treatment needs: **manual and motorized blinds, shades, curtains, sheers**, and more.

CORE COMPETENCIES

- Comprehensive range of interior custom window treatment
- Manual and motorized blinds (vertical, horizontal)
- Roller Shades (room-darkening, light-filtering, solar shades, zebra shades, sheer shades, child safety shades)
- Window film, glass coating, and glass frosting. Residential window tint

VISION

To Provide energy-efficient, smart and sustainable interior custom window treatments to increase productivity and quality of life
