PROOF
OF THE
PUDDING!

I'm not very good at self promotion—I just don't like it. So I'll let the words of those I've worked for do it for me!

I hope they will give you a flavour of how I work and will encourage you to give me a call!

*As the saying goes...
The proof of the pudding...*

Laura JP

Laura really went the extra mile.

Her photography is imaginative and impressive.

We couldn't be happier with the photographs—they are simply beautiful.

—Ebony & Ryan

Laura was an absolute delight to work with and a joy to have there on the day—she even got stuck in and just helped out with the set up on the morning, made everyone feel at ease. Most of the time you didn't realise she was there snapping away—the art of a true professional and the reason so many natural moments were captured.

—Kate & Dan

We just wanted to drop you a note and say a massive thank you to you for Saturday.

You were brilliant. For us personally you hit the nail on the head between doing what you needed to, but also letting us enjoy the day and for our guests; everyone said how personable you were and just had the right balance between getting the job done, but being lovely with it!

—Dan & Martin

My reaction when I received the photos was simply WOW!

They took me back to the day and I couldn't have been any happier.

Laura was so down to earth from the initial phone call right through the process and the photographs she produced excelled.

—Jon & Dannielle

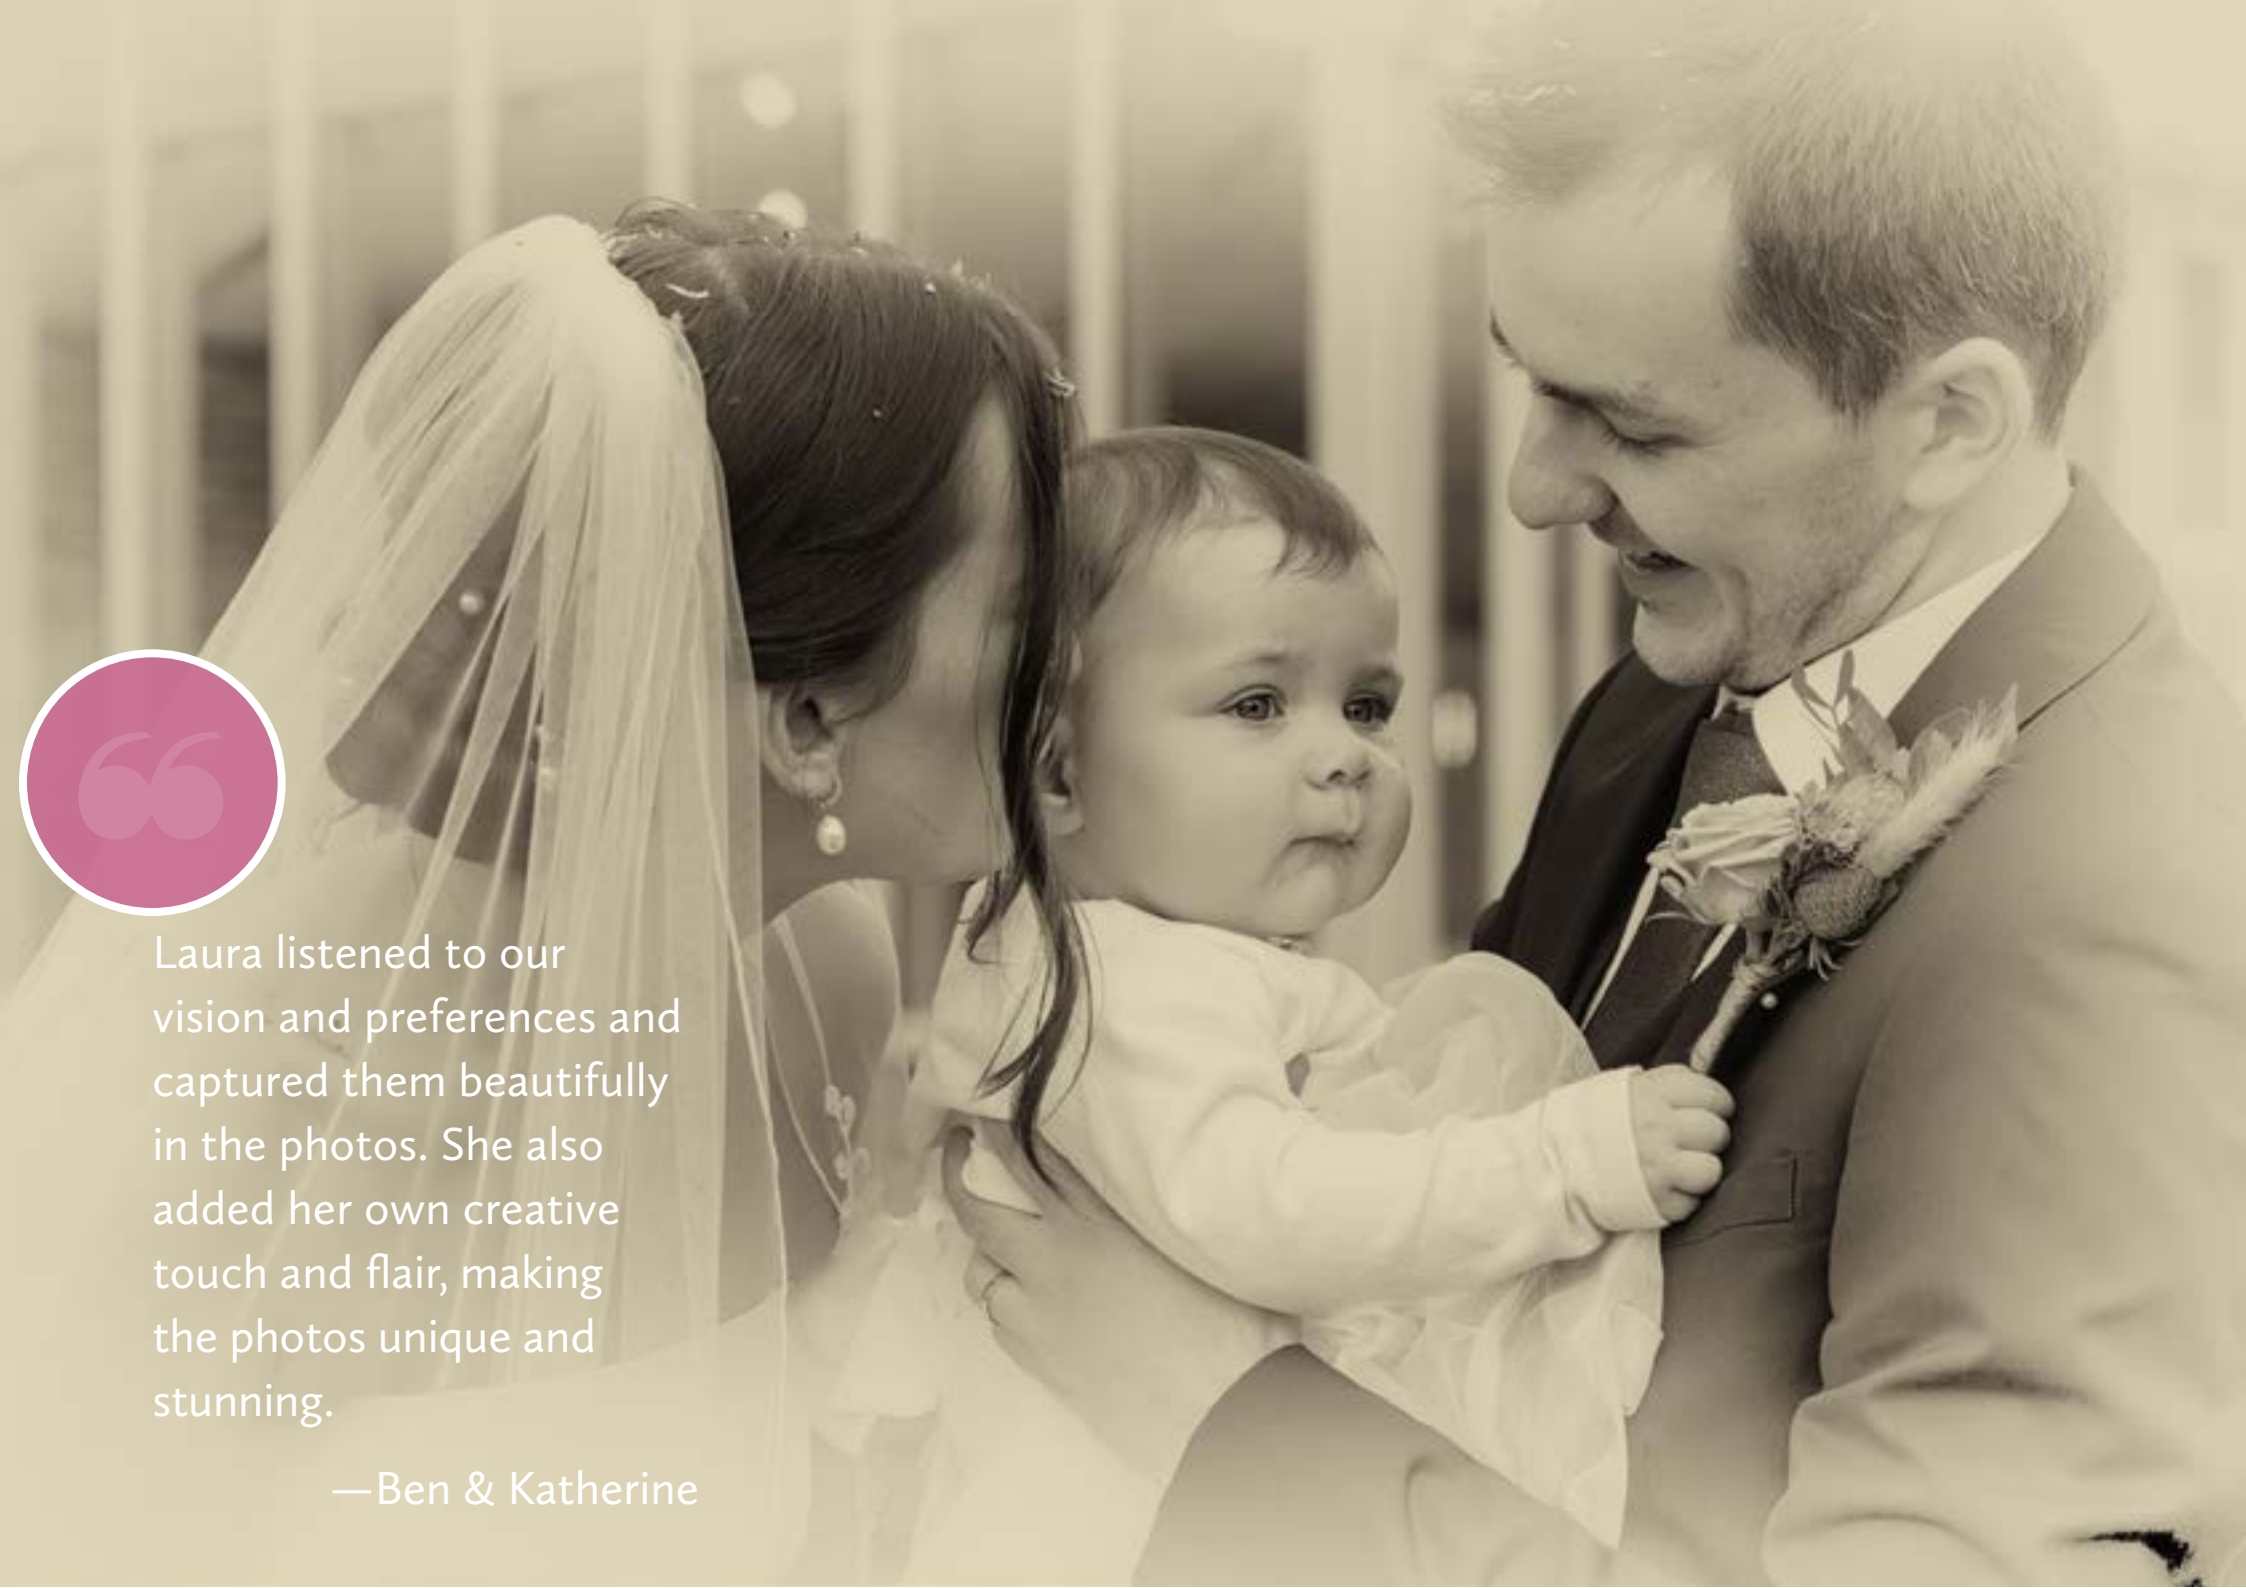

Laura's the perfect wedding photographer; she did the most amazing job at our autumn farmyard wedding.

Her photography was seamless, it fitted perfectly into the day.

The photos really capture the feeling of our wedding, their quality is fantastic and we couldn't be happier.

—Annabel & Rupert

Laura listened to our vision and preferences and captured them beautifully in the photos. She also added her own creative touch and flair, making the photos unique and stunning.

—Ben & Katherine

The quality of the photographs is amazing and not only can she take the “classic” wedding photos, she also captures the more relaxed, candid situations perfectly. Can’t recommend highly enough.

—Flo & Rich

I first met Laura at the venue to discuss photo ideas and to get a feel for where I would like them to be taken inside and around the grounds of the venue. This proved invaluable and Laura's beautiful photography has created memories that will stay with us forever.

We can't thank Laura enough for such a magical day.

—Kate & Ashley

Laura's photos were stunning. She has a great sense of fun and was also very good at being discreet. I wasn't aware she was taking the candid shots!

—Natalie & Adrian

Photos that we will cherish forever including the prewedding shoot with our horses.

They all turned out beautifully and really captured our day in full swing. We can't recommend Laura highly enough!

—Bradley & Jodie

In the lead up to the wedding and on the day itself Laura and her number two photographer were professional, calm and helped guide us not just with the photography, but also gave us really good advice with some of the other stresses and last minute issues affecting our wedding.

We feel like we have truly gained two new friends! And of course, the photographs themselves capture our special day beautifully. Both Laura and Mike were absolutely flawless.

—Olga & Will

Simply the best!

—Mark and Cristina
