Games III - Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

GAMES BEING PLAYED

Tunnelers - is a numbered course consisting only of tunnels. Dogs at all levels run the same course. **ER 12**

Quidditch - is a simple game of handling skill. The handler must direct the dog to handle 3 sequences of escalating value, and attempting the simple performance of a tire after each. The game is full of interesting bonuses and colorful phraseology. **Quidditch** is scored Points, Then Time. **ER2**

Boston Bowling - is a sequencing game that is played and scored like bowling. Each handler has three opportunities to "bowl" his dog into a tunnel (a distance send) and then run the course that corresponds to the tunnel entry the dog chooses. Running each shirt sequence without error will earn a "strike" bonus. Failing to successfully make the send to the tunnel is scored a "gutter ball" and uses one of the three turns. **Boston Bowling** is scored Points, Then Time. **ER**

Tag 10 - is a dog's choice game which the dog and handler are challenged to collect points in 10 point blocks. **Faulting any obstacle erases unbanked points! Tag 10 is scored points, then time. ER2**

The Fifteen and Send Time class (Fast) is a dog's choice point accumulation game, with a distance challenge that can be attempted any time during the run. The name of the game tells the tale of the game :perform up to 15 obstacles and attempt the send, and do it all under time. **FAST** is scored points then time.

Rodeo - is a three-part game consisting of events held in a rodeo. Barrel racing using tunnels, pole pending using the weaves, and bronco riding which is a short Jumpers course. **Rodeo** is scored Points, Less Faults with time as a tie breaker. **ER6**

For more information on these games the ***Book of Agility Games*** is available on the TDAA web site. Please visit: <https://k9tdaa.com>.

Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.

Height Divisions

Owners are responsible for entering their dog in the proper height division. Judges reserve the right to measure dogs entered in any trial.

Dog's measurement at the withers	Regular	Veterans	With jump Height Exemption	Veterans plus Jump Height Exemption
4" and under	2"	2"	2"	2"
4.01" to 8"	4"	2"	2'	2"
8.01" to 12"	8"	4"	4"	2"
12.01" to 16"	12"	8"	8"	4"
16.01" to 20"	16"	12"	12"	8"

Note: It is no longer necessary to present a jump height card when entering a TDAA trial. A dog's owner or handler may enter a dog at any jump height desired. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. A dog may enter a trial at only one jump height.

Dogs given a jump height exemption will be able to earn qualifying legs and all TDAA titles. Dogs with a jump height exemption, including veterans, compete against dogs in the height class they measure into based on wither height.

Long-backed dogs – Based on the measurement of the dog from the front of the chest to the back of the rear compared to the dog's wither height. The dog's length must be 150% or greater than their height to qualify for this exemption.

Weight to length provision – (by structure, not obesity) This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

Dwarfish legs/deep chest – Granted to dogs whose leg to shoulder height ratio is 1/3 or less of the dog's overall height. Based on the dog's wither height when that height is 150% or greater than the measurement of the space from floor to chest.

Veteran dogs – A jump height exemption granted to dogs of at least 7 years of age. Veteran dogs receive an extension for Standard course times. 4" veterans receive an additional 4 seconds while 8", 12" and 16" veterans receive an additional 2 seconds.

Disabled Handlers – Handlers who have been given handicap status by their home state will be granted a time exemption of 4 seconds for Standard course times and 4 seconds for Qualifying course times for time-based games classes. See TDAA rules for additional information. This additional time is in addition to any exemption given to the handler's dog due to Veteran status. Proof of disability shall be a copy of the handler's disabled parking tag or official documentation provided with the entry or presented at check-in. There will be no special system of titling for veteran dogs or for disabled handlers.

For Exhibition Only (FEO)

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

Entries

Day of Event Entries WILL BE taken from 7:30 AM until 8:30 each morning for \$12.00 per run. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial.

New Rule Regarding Treats in the Ring:

The handler shall be allowed to carry and use food treats or toys in the ring as a reward for the dog so long as the food treat or toy is not offered in a way that assists the dog in the course direction or in the performance of an obstacle. The dog is faulted when the handler uses a food treat or toy in a manner that assists the dog in course direction or in the performance of an obstacle (failure to perform). A food treat must be kept secure by the handler. The dog shall also earn a failure to perform fault if the handler carries food in hand while dog is working or at any time drops a food treat on the floor or the equipment. If you plan on using treats in the ring you must notify the judge before your run. PLEASE try not to use anything crumbly.

Volunteers are appreciated!!!
