GAMES BEING PLAYED

Baseball - is a distance game in which the handler, while standing on the pitcher's mound, runs his dog through bases arranged as a baseball diamond, in order to earn a "home run." Baseball is scored Time, Plus Faults minus bonus. ER7

Beat the Clock - Beat the Clock is a sequencing game in which the obstacles are arranged in four parts, like quadrants of the clock. Obstacles are typically arranged around the tire. The handler is required to do the tire before each of the quadrants. Beat the Clock is scored Points, Then Time. ER.

Black Hole - is a numbered course requiring the handler to simply avoid any tunnels (Black Holes) with his dog. A dog that goes into a Black Hole is subject to a significant penalty. Black Hole is scored Time, Plus Faults. ER5

Call, Direct & Send - Call, Direct and Send (CDS) is a numbered course that requires the team to solve three distance challenges: Call, Direct, and Send. CDS is scored Time, Plus Faults, Less Bonus. ER7

Full House - is a game of timing in which the dog is obligated to collect the elements of the full house, earn as many other points as possible, and end time without losing points on a time penalty. Full House is scored Points, Less Penalty, Then Time. ER6

Tag 10 - is a dogs choice game in which the dog and handler are challenged to collect points in 10 point blocks. Faulting any obstacle erases unbanked points. Tag 10 is scored points, then time. ER2

For more information on these games the **Book of Agility Games** is available for a modest price; please visit: <http://dogagility.org/Newstore>. Our Judges reserve the right to adapt any game played. Day of show rules supersede all others.

Height Divisions

Owners are responsible for entering their dog in the proper height division. Judges reserve the right to measure dogs entered in any trial. At the handler's option, dogs may be entered in any height division. Dogs that run in a height division higher than their measured division will be scored in the higher jump height division (ex: if your dog is measured into the 12" division and you jump 16" at a TDAA trial you will be competing with 16" dogs for placements). Dogs that run in a height division lower than their proper division will be scored with dogs of their measured height. Height divisions are as follows:

Dog's measurement at the withers	Regular	Veterans	With jump Height Exemption	Veterans plus Jump Height Exemption
4" and under	2"	2"	2"	2"
4.01" to 8"	4"	2"	2"	2"
8.01" to 12"	8"	4"	4"	2"
12.01" to 16"	12"	8"	8"	4"
16.01" to 20"	16"	12"	12"	8"

Note: It is no longer necessary to present a jump height card when entering a TDAA trial.

A dog's owner or handler may enter a dog at any jump height desired. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. A dog may enter a trial at only one jump height.

Dogs given a jump height exemption will be able to earn qualifying legs and all TDAA titles. Dogs with a jump height exemption, including veterans, compete against dogs in the height class they measure into based on wither height.

Long-backed dogs – Based on the measurement of the dog from the front of the chest to the back of the rear compared to the dog's wither height. The dog's length must be 150% or greater than their height to qualify for this exemption.

Weight to length provision – (by structure, not obesity) This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

Dwarfish legs/deep chest – Granted to dogs whose leg to shoulder height ratio is 1/3 or less of the dog's overall height. Based on the dog's wither height when that height is 150% or greater than the measurement of the space from floor to chest.

Veteran dogs – A jump height exemption granted to dogs of at least 7 years of age. Veteran dogs receive an extension for Standard course times. 4" veterans receive an additional 4 seconds while 8", 12" and 16" veterans receive an additional 2 seconds.

Disabled Handlers – Handlers who have been given handicap status by their home state will be granted a time exemption of 4 seconds for Standard course times and 4 seconds for Qualifying course times for time-based games classes. See TDAA rules for additional information. This additional time is in addition to any exemption given to the handler's dog due to Veteran status. Proof of disability shall be a copy of the handler's disabled parking tag or official documentation provided with the entry or presented at check-in. There will be no special system of titling for veteran dogs or for disabled handlers

For Exhibition Only (FEO)

TDAA allows FEO runs open to any TDAA registered dog in any class; offered at the option of the host club. FEO dogs may run on lead. FEO runs do not count toward TDAA titles. No treats or food allowed. FEO will have a maximum of 1.5 times of the SCT. FEO cannot repeat any obstacles. No training in the ring.

HOW THE FAST TRACK MOVE-UP PROGRAM WORKS This may be grand-fathered from other organizations on a "Fast Track" basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day, if the dog qualifies first in Games I and then qualifies again in Games II enough points in Games I to qualify for Games III. A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificate for each dog.** Submit \$6.00 for each dog's move-up request. Payment of the \$6.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. This Fast Track fee must be paid for this trial, even if it was paid for in a previous trial.

Entries

Day of Event Entries WILL BE taken from 7:30 AM until 8:30 each morning for \$12.00 per run. TDAA Dog Registration Numbers may be applied for at the event so that your dog can participate in this trial.

New Rule Regarding Treats in the Ring:

The handler shall be allowed to carry and use food treats in the ring as a reward for the dog so long as the food treat is not offered in a way that assists the dog in the course direction or in the performance of an obstacle.

The dog is faulted when the handler uses a food treat in a manner that assists the dog in course direction (standard fault) or in the performance of an obstacle (failure to perform). A food treat must be kept secure by the handler.

The dog shall earn a standard fault if the handler carries food in hand while dog is working or at any time drops a food treat on the floor or equipment.

If you plan on using treats in the ring PLEASE try not to use anything crumbly.

Volunteers are appreciated!!!
