About

At Handmade Outdoor Builds, we create high-quality, handcrafted outdoor furniture and structures, including seating, pergolas, and children's play equipment.

This catalogue showcases our seating range, designed especially for pubs, beer gardens, events, and hospitality venues. Our benches are built to be strong, practical, and made to withstand heavy use while maintaining a classic, timeless look.

We're a small, family-run business, just the two of us, and we personally design and build every piece, offering bespoke sizing and a hands-on approach to ensure lasting quality and service.

PICNIC

BENCH

Classic pub style

Classic pub-style picnic bench handcrafted from solid timber, featuring a traditional A-frame design with integrated seating — sturdy, practical, and perfect for any beer garden or outdoor space.

Standard size is 1.6m long - 6 Seater

ALTERNATIVE SIZE PICNIC BENCHES

All of our picnic benches are handcrafted to order and can be made to any bespoke size to suit your space. Our most popular alternative options include the 1.8m 8-seater, our impressive 3.2m 'Double' 12-seater, and the practical 1.8m wheelchair-accessible bench, designed to ensure everyone can enjoy the table comfortably.

For easier access

Our walk-in picnic benches are designed for easier access, allowing you to step in from the side without climbing over the seat, perfect for pubs, events, and busy venues.

Available in a range of styles, they can be built as one fully attached, fixed structure or with separate benches and tables for added flexibility.

WALK-IN SETS

Our backed bench seats are designed to provide extra comfort and support, while keeping the strong, traditional look. Built from durable, high-quality timber, they're made to withstand regular use in busy outdoor settings.

The standard size is 1.6m (3-seater), with all other sizes available to order, allowing us to create the perfect fit for your space and layout.

BENCH SEATS

ALTERNATIVE BENCH SEATS

Our alternative bench seating range offers versatile options to suit different spaces and styles. This includes our sturdy sleeper-style backless bench, perfect for a simple, rustic look, and our corner bench seat, built in the same classic style as our backed benches to create a comfortable, space-maximising seating area.

All designs can be made to any bespoke size.

SLEEPER DINING SETS

Available in any bespoke size, with the option of with or without backrests, this set combines practicality with standout presence.

Our extremely heavy-duty sleeper dining set is built for strength, durability, and long-lasting performance in busy outdoor settings. Crafted from solid sleepers for a bold, rustic look.

SIMPLE DINING SET

Our solid timber dining set is built for strength, comfort, and lasting quality.

Available as a 2, 3, or 4 seater, it's handcrafted to order and made to withstand years of outdoor use while maintaining its timeless, rustic appeal.

8 SEATERS

Designed to comfortably seat bigger groups, they create a welcoming, social atmosphere while offering the strength and stability needed for busy, high-traffic outdoor environments.

Our 8-seater benches are perfect for larger gatherings, making them ideal for spaces where bringing people together is key. We offer three styles to suit your setting — square, round, and round with square seats — all handcrafted from durable timber and built to handle busy outdoor use.

CUSTOMISABLE DINING SET

Our very sturdy 6–8 seater dining set is built for strength, comfort, and everyday durability — ideal for pubs, patios, and event spaces. Choose between the full set with end stools included for maximum seating, or opt for benches only to suit your layout and space requirements.

ALTERNATIVE SEATING

Alongside our main seating range, we also create a variety of other handcrafted outdoor pieces, including seating pods, corner arbours, and swing seats. Whether you're looking to add a standout feature or create a cosy, sheltered space, we offer a wide selection of styles — all built to the same high standard and available in bespoke sizes to suit your space.
