Sunday worship services

Worship

The church has chosen to use supply preachers for the time being. These people will usually give a sermon title/theme, scriptures and occasionally will suggest certain songs or hymns. S/he will not create and format a liturgy with music and prayers, etc. Templates and training are available. This work takes four to six hours a week. It is sent digitally on Saturday and print copies are needed. See President Neil B.

Weekly beginning January 9

Announcements

A volunteer is needed to type the announcements each week. These will need to be printed by this person or another. They are sent digitally on Saturday. Templates and training are available. This work takes 30-60 minutes each week. We have not resumed creating a slide show of announcements. See President Neil B.

Weekly beginning January 9

Video Data Projector

A volunteer(s) is needed to format the slides for the screen each week. This important work decreases barriers for some enabling them to participate in worship. That person or a separate person is needed each Sunday to run the VDP. Templates and training are available. Neither of these jobs are difficult. Making the slide show takes about one hour each week in addition to setting up by 9:30 each week and attending worship. See President Neil B.

Weekly beginning January 9
