## About Us

Be a dealer is a venture with a classified activity as an E-market service solution, which covers a wide range of elite merchandises and products throughout the niche market from our high level trusted suppliers. Aiming to penetrate the Kuwaiti market initially, MENA region and global market eventually.

Our services carried out by our experienced team will enable everyone the access to a digital market place where they can easily buy (consumer), sell (supplier) and keep up with the trends promoted by our partnered trusted influencers and celebrities.

## Our Vision

We strive to be one of the world's most leading and trusted market place and service provider in the E-market. We aim to drive a new era of productivity, profitability and credibility.

## Our Mission

To offer and promote differentiated products and services for everyone to achieve their aspirations. Inspire everyone with an idea or a product to establish their businesses by providing the means and know-how into the market.
