SAFETY

Our preferred locations are generally deemed safe at the time of booking, but they all have risks and accessibility issues, as do all public spaces.

Unless the picnic is at a private residence, which must be well lit for safe access and clean-up, all picnics must be completed no later than 30 minutes after sunset. If a picnic is scheduled at a client's location, the client is responsible for providing a safe working environment free of hazards, attacks, threats of violence, or harassment of any kind.

If a location becomes unsafe, we reserve the right to immediately halt operations and seize all equipment.

FOOD

We use vendors for our add-on food options because we do not provide catering. We ask that you notify us of any food allergies when making your reservation. We will make every effort to accommodate your requests. We cannot guarantee that all food products provided will be free of allergenic ingredients. You are welcome to bring your own food, but no extra ware or setup will be provided.

ALCOHOL

Any of our picnic packages do not include alcohol. Most public parks and beaches prohibit the consumption of alcoholic beverages without a permit. If you want to drink alcohol, you do so at your own risk. We are not liable for any fines or tickets that may be issued as a result.
