

# The Only Way

## Verse 1

Been so long since I've seen any sunshine.  
Or any light shining in.  
I can't remember the last time I felt whole.  
Or any light on my skin.

## Pre-Chorus

There is a way; there is no other.  
This time you have to push on through.  
Let go all the pain and rejection.  
It's the only way you're getting through.

## Chorus

Sunlight don't, stop the rain from pouring in.  
Strength don't stop the tears.  
Born again under grace and redemption.  
In faith we're coming back again.

## Verse 2

No more time for, remorse or reminders.  
Or memories no longer full.  
Time to move on, and past the time forgotten.  
It's time to shine your light on through.

## Pre-Chorus

It's the only way; there is no other.  
It's time to see what you can do.  
Let go all the pain that still binds you.  
It's the only way you're getting through.

## Chorus

Sunlight don't, stop the rain from pouring in.  
Strength don't stop the tears.  
Born again under grace and redemption.  
In faith we're coming back again.
