

FATEWEAVER

EXTENDED BIO

Formed in January 2024, FATEWEAVER is comprised of Dalton (Vocals), Northey (Lead Guitar), Danny (Rhythm Guitar and Backing Vocals), Ollie (Bass), and Sam (Drums), and are united by their passion for creating authentic music that resonates with Metalheads around the globe. After a whirlwind start, the band took the stage for their debut show, captivating the audience with their electrifying energy and unique sound.

With the release of their debut EP *AMERICANA* in February 2024, FATEWEAVER showcases a fresh blend of aggressive Groove Metal, Metalcore, Hardcore and Deathcore, drawing inspiration from their diverse musical backgrounds. Each track is a testament to their creative synergy and dedication to their craft.

Following their *AMERICANA* release, the band followed up with the fast paced and hard hitting single, *REGRET* in September 2024. From here, the band went onto release their third release, *Grace*, on 28th Feb 2025.

As they embark on this exciting journey, FATEWEAVER is eager to connect with fans and continue evolving their sound. Stay tuned for more music and upcoming performances—this is just the beginning!
