## Our Learning

### *Christmas, Chinese New Year and Valentines!*

This term has once again been full of so many different topics to cover! We have had Christmas, Winter, Chinese New Year, Storytelling Week and Valentines.

The children have been learning all about the year of the snake, several different stories such as The 3 Little Pigs, Little Red Riding Hood and Snow White and who we love in our families.

Moving into the next few months, we have Ramadan, Pancake Day, Spring, Easter and Mothers Day to look forward to.

“Every child is gifted; they just unwrap their packages at different times.”

### Don't forget!

We are still running breakfast club starting from 7:30am. We provide breakfast and a choice of milk or water for each child

Please ask Danielle or Michelle for more information or if you would like to join us

## More information

### We are moving!

As you are probably all aware by now, we are hoping to move premise for our pre-school. The work is well under way to get our exciting new adventure ready for you all. We do not have a date for moving yet as we are still waiting on a few things but as soon as we know, you will all be the first to find out.

We really hope that you all love this new premises as much as we do

### Our New Garden!

Our new premises has an amazing new garden but unfortunately it needs a lot of work doing to make it the perfect outside adventure for your children. This is a work in progress but if you could help us out in any way to move the process along quickly, then we would really appreciate it. If anybody knows of any companies or individuals that would be willing to donate or offer discounted prices on supplies for our garden then please do let us know

We will of course keep you all updated as the process moves forward!

### WORLD BOOK DAY!

On the 6<sup>th</sup> March we will be joining in with World Book Day. We cannot wait to see all your favourite book characters come to life for a day at Pre-School

Please note that we are a nut free setting, and a lot of kinder chocolate does have nuts in therefore they are not permitted at lunchtimes. Also, the door will open at 11.30am for lunchtime children to be collected or dropped off so there is no need to ring the bell at this time and our door is opened from 3.15pm for end of day pick-up. Please don't ring the bell after 3pm as this is our busy time getting them ready for home.

**Reminder:** Please can you make sure that all your child's belongings have their name written somewhere on them before bringing them into pre-school. Also, as the winter weather comes, please can you make sure you bring some outdoor shoes for the children so they can join in without our outdoor play.

Also, if you send grapes, tomatoes and cocktail sausages in for lunch, please can you make sure these are cut at home as they can be a choking hazard for the children

If you need to make any changes to your current booking, please make sure you allow at least a month's notice if you can as we cannot always guarantee we have a space at short notice.

Our new noticeboard is on the right near the front door as you enter the building, please keep an eye on here for latest information. We also have a new website so please look and see what you think.

You have probably already noticed but we have our very own book swap here at Pre-School. Please help yourself to any books that are on the shelf and/or the table and if you have any books at home that you would like to swap, then feel free to bring them in to replace the ones you have taken home.
