

Butterfly Pre-School

March 2026

Our Learning

Christmas, Space, Healthy Eating, Mother's Day and more!!

This term has once again been full of so many different topics to cover! We have had Christmas, Winter, Space, Healthy Eating, Mothers Day, Spring, Easter and Comic Relief. We have loads of fun with this (especially when the weather has been kind to us).

When we return from the Easter holidays, we will be looking at Animals and their habitats, science and maths, fathers day, occupations, summer and sun safety!

“Inside every child is a rainbow waiting to shine.”

Don't forget!
We are still running breakfast club starting from 7:30am. We provide breakfast and a choice of milk or water for each child

Please ask Danielle or Michelle for more information or if you would like to join us

More information

Child Absences

If your child is going to be absent from Pre-School, then please let us know so we can keep note of this.

Child Collection

If your child is going to be collected by somebody else, can you please make sure to let a member of the management team know beforehand. The collector will also need a password to enter the building

Other

Please can we make sure that all bags are kept on the floor instead of on the pegs to prevent the hooks coming away from the wall.

Please make sure that once you enter the building that your phone is away and not in use until you leave again.

If your child needs the toilet at the end of the day, then please ask a member of staff to accompany them as we cannot have parents enter the bathrooms as they are still in use by our other children.

Exciting News for Milly

Milly would love to share with you all that she is expecting a new little boy into her family. She will be leaving us in the upcoming months for her maternity leave, and we wish her all the best with this exciting new adventure in her life. We can't wait to meet the new addition!

Please note that we are a nut free setting, and a lot of kinder chocolate does have nuts in therefore they are not permitted at lunchtimes. Also, the door will open at 11.30am for lunchtime children to be collected or dropped off so there is no need to ring the bell at this time, and our door is opened from 3.15pm for end of day pick-up. Please don't ring the bell after 3pm as this is our busy time getting them ready for home.

Reminder: Please can you make sure that all your child's belongings have their name written somewhere on them before bringing them into pre-school. Also, as the winter weather comes, please can you make sure you bring some outdoor shoes for the children so they can join in without our outdoor play.

Also, if you send grapes, tomatoes and cocktail sausages in for lunch, please can you make sure these are cut at home as they can be a choking hazard for the children

If you need to make any changes to your current booking, please make sure you allow at least a month's notice if you can as we cannot always guarantee we have a space at short notice.

You have probably already noticed but we have our very own book swap here at Pre-School. Please help yourself to any books that are on the shelf and/or the table and if you have any books at home that you would like to swap, then feel free to bring them in to replace the ones you have taken home.
