## Our Learning for the next few months

*All About Me, Autumn, Halloween and Bonfire Night*

Coming up over the next few months we have some exciting topics to look forward to. We are starting off with 'All About Me' as we welcome in our new friends to pre-school. After this we will be heading into Autumn so we will learn about what happens during this season. And of course we have the excitement of Halloween to look forward to including all the fun aspects but also the safety aspects too!

Welcome Back Butterflies!

# More information

## New Garden!

Our garden is fully complete and ready for the new school year! We have our grass area for football, running, games and more. We have our patio for bikes, scooters and games. And we have our mud area for lots of learning (and getting messy).

If you would like to have a look then please do ask Michelle or Danielle for a nosey before or after Pre-School hours. We will have photos going up on socials though for everyone to see!

## Brand New: Library Time!

We are starting something new as we head into our new term. Every week your child will be given the option to choose a book from our lending library and take it home. This can be brought back to us after you are finished, and they can tell us all about it. During library time, the children will be encouraged to talk about their favourite books/characters with their friends. So, if your child appears with a new book in their bag, this is why!

Please note that we are a nut free setting, and a lot of kinder chocolate does have nuts in therefore they are not permitted at lunchtimes. Also, the door will open at 11.30am for lunchtime children to be collected or dropped off so there is no need to ring the bell at this time and our door is opened from 3.15pm for end of day pick-up. Please don't ring the bell after 3pm as this is our busy time getting them ready for home.

**Reminder:** Please can you make sure that all your child's belongings have their name written somewhere on them before bringing them into pre-school. Also, as the winter weather comes, please can you make sure you bring some outdoor shoes for the children so they can join in without our outdoor play. Also hats, coats and gloves as it gets cold outside.

If you send grapes, tomatoes and cocktail sausages in for lunch, please can you make sure these are cut at home as they can be a choking hazard for the children

If you need to make any changes to your current booking, please make sure you allow at least a month's notice if you can as we cannot always guarantee we have a space at short notice.

If your child is going to be absent, can you please let us know. This can be anything from holidays, days at home and illnesses. Thank you!
