Dear Friends and Neighbors,

As we continue our mission to ensure that no one in our community faces food insecurity, we are reaching out to ask for your support of the Octorara Area Food Cupboard's Annual Donation Drive.

Since 2011, the Octorara Area Food Cupboard has been serving families throughout the Octorara community and surrounding area, providing nutritious food to our neighbors facing food insecurity. In a typical month, OAFB serves approximately 518 families - and distributes approximately 23,500 pounds of food.

Today, that mission is more important than ever. The rising cost of food, housing, utilities, and other necessities, combined with changes in government-funded assistance programs, is causing more families to turn to us for help. Your generosity makes it possible for us to be there when they do.

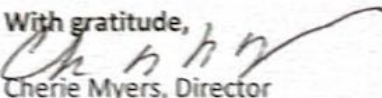

Every contribution—regardless of size—directly supports families in our community. Your gift helps us keep our shelves stocked, provide nutritious food throughout the year, brighten the holidays for families in need, and offer something equally important: the reassurance that their community cares about them.

We cannot do this work alone. The Octorara Area Food Cupboard has always depended upon the generosity of individuals, families, businesses, churches, and organizations throughout our community. Your support enables us not only to provide essential food, but also to respond with compassion and dignity when our neighbors need us most.

Please consider making a gift to our Annual Donation Drive. Together, we can help ensure that every family in our community has food on the table and hope for the days ahead.

Your kindness sustains this vital work and strengthens our entire community in ways that extend far beyond the food we provide. Thank you for caring about your neighbors and for continuing to make a difference.

With gratitude,

Cherie Myers, Director
