NO Application Fee

May 1 — December 31, 2024
to join The Moose online

Beginning May 1, 2024, the **\$20** application fee will be waived for new (enroll or re-enroll) applicants paying **2 years of dues** and using the **online application process only**. This will not only promote and encourage use of the available technology but incentivize member production, giving the lodges an extended opportunity to showcase the benefits of Moose/lodge membership to include our fraternal endeavors as well as the local lodge amenities. This program will be evaluated on an ongoing basis and is scheduled to end Dec. 31, 2024.

Anyone interested in learning more about the Moose organization is encouraged to view the video message on our www.beamoose.org website where they will also have an opportunity to access the online application.

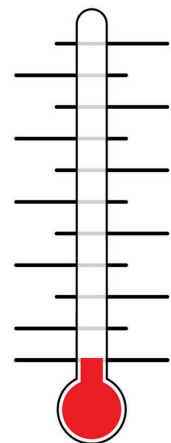

If you are a current member looking to sponsor a prospective member into the Moose Fraternity, please use our online application at www.beamoose.org.

The Moose Fraternity is a private organization. This correspondence contains general information available to the public, but should not be construed to be a solicitation for membership. To be part of the Moose organization, you need to be invited by a current member.

Dear Fraternal Brothers and Sisters,

We are asking for your help. Our lodge was built in 1984 and many of the major necessities will need upcoming repairs in the near future. Over the past 5 years we have updated many items in the social quarters, banquet rooms and bathrooms. We now need to replace our banquet room air conditioner, boiler and sprinkler system. In the next few years we will need to repair the roof. All of these will cost approximately \$149,000. For us to accomplish these huge upgrades we are asking for your financial assistance. Please submit your donation to Johnstown Moose Lodge #1185 at 109 S. Comrie Ave, Johnstown, NY 12095. Thank you in advance for your generous contribution.
