

Grand Aces Foundation award scholarships

Grand Aces Foundation will Award Pilot Scholarships to James Plummer, a Grove resident and Tiffany Ragains, an Adair resident, on June 15, 2019, at 5:00pm at the South Grand Lake Airport in Ketchum, OK.

Tiffany Ragains, an 18 year old high school student in Adair, OK is a member of the

Young Eagles Program, obtained her Electrical Program certification from Northeast Technical, and will continue her Aviation Mechanic Training in the Fall. Ragains' aviation goal is to obtain her private pilot license in the next year and progress her aviation experience into flying fighter planes for the

Tulsa Air National Guard and become a commercial airline pilot. Tiffany will be awarded the Robert R. Butters, Sr. Memorial Aviation Scholarship.

James Plummer, a 17 year old high school student in Grove, OK is an Eagle Scout, Civil Air Patrol cadet, and has performed numerous hours of community service for the Veterans Clinic in Jay, OK. Plummer's aviation goal is to obtain his private pilot license in the next year and progress his aviation experience into flying fighter jets for the United States Air Force or National Guard.

Both new pilot students will receive financial support and professional pilot mentoring to assist them in obtaining their private pilot licenses and reach their ultimate aviation goals. Both of these pilot students are very deserving and hard working. We wish them the best of luck as they begin to live on the edge of the envelope!
