Preschool News from Emily!

Our Gym Sprouts have worked so hard in such a short time! While having fun is super important for these kiddos, we've also learned a lot - forward rolls, cartwheels, handstands, and even safe landing positions! We've moved forward, backwards, and sideways all around the gym! And coming soon, we will add into the fun with mini-themed weeks – these mini-themed weeks range anywhere from numbers and letters to animals and pajama week! Let's go Gym Sprouts!
