

SCIENTIFIC ADVISOR

Dr. John V. Schloss is currently Chair of Pharmaceutical Science and Associate Dean of Research at American University of Health Sciences in Signal Hill, California. Dr. Schloss has an extensive background in research and pharmacy education based on 10 years as a professional scientist in DuPont's Central Research Department; 9 years as Professor at the University of Kansas, School of Pharmacy; 6 years in pharmacy-related biotech; and 10 years helping to build the basic science and research components of two domestic and one foreign pharmacy programs. He has remained active in both research and the education of graduate and undergraduate students, while securing research funding from international, federal, state, and private sources. Dr. Schloss was an NIH-postdoctoral fellow at the University of Wisconsin in Madison and holds a Ph.D. in Biomedical Sciences from the University of Tennessee for work conducted at the Oak Ridge National Laboratory
