

SUNDAYS @ 6PM STARTING SEPTEMBER 10, 2023

We circle up our trucks, cars, and chairs outside, and delve into the life of the Bible together. We learn about our inheritance and about the greatest love story ever written. We will uncover more about our own identities and destinies, by digesting God's word together.

## Community

Our goal is to offer time and space where people who want to know more about God's love and His word, can gather, be encouraged, inspired, and lifted up while learning more. Whether your married, single, have children, or don't, all are welcome. No experience necessary. Let's grow together.
