

Life Abundant & to the Fullest

WOMEN'S LIFE GROUP

Thursday Evenings
6:30 - 8:00 pm

Come as you are. No really!
Women of all ages and life stages are welcome.

As a royal priesthood of God, we are called to develop a culture in our homes, families, businesses, churches, and ultimately in our nations that brings out the best in individuals, facilitating our royal destinies.

- Literally come as your are. Come in sweats or PJ's if you want.
- Coffee & Tea are always on.
- Feel free to come and go as it works for you and your schedule.
- We come together to pray, grow, nurture, and support each other.
- Whether you have been faith-filled forever or maybe never known God, you are welcome here.
- We will do daily readings sometimes, Bible study sometimes, and share lots of testimonies.
- We will laugh a lot, cry often, dance sometimes, and we will ALWAYS, always pray with and for and over each other.
- We will learn how to walk out our God-given inheritance together, leaning deeper into the Woman He calls us to be.

We are influencers and world changers ...

it's time for us to
