The City of Markham, which has jurisdiction over the Community Tennis Clubs, has released the requirements and restrictions for operating based on the Province's recent announcement.

· **Grey Control Zone Restrictions:** At this time, play is **SINGLES ONLY** as York Region Public Health has deemed doubles tennis as a team sport. As there is a limit of 10 players at the facility, only 5 courts will be utilized. There are no exceptions to this at this time (even if in same household). There will be no member access to the clubhouse, and no guests permitted. Each player must complete the online screening at <https://covid-19.ontario.ca/screening/customer/> and present the results (green checkmark) to the monitor on duty prior to going on court.

· **Court Bookings:** Courts will be assigned by the monitor on a first-come, first-served basis with a 1 hour per day limit. We will provide further communication as we work out our ability to open for additional hours. Updates will be posted on our website.

****You must have a valid 2021 MTC paid membership to play****

Please note that we will not be sending out the new gate code at this time. The code will be provided once we are in a position to operate without a monitor.

This is the final email that will be sent out to all current and past members. From next week, we will only email current season members and the information will also be posted on our website.
