TENNIS CLUB**

## **Markham Tennis Club Update - Stage 3**

---

Dear MTC Members,

We hope that you are all staying safe and enjoying your summer.

We would like to remind you, that during non-monitored hours, you must complete a Covid screening before you arrive on court - for our families, you must complete a screening for each person playing. This provides us the ability to track who has played at the Club - a requirement by the City of Markham. The Club could be fined or closed if this requirement is not followed properly. If we are unable to have our membership comply, we may need to revert to only being open during monitored hours...which we don't want to do!

Failure to complete and send in the screening at each visit will result in an initial warning. If you are caught a second time not sending in your screening, your membership will be suspended. Please complete the screening here:

<https://covid-19.ontario.ca/screening/customer/> and email the results to [info@markhamtennisclub.ca](mailto:info@markhamtennisclub.ca)

As per The City of Markham, we will continue Covid screening during monitored and non monitored hours in Stage 3.

We have successfully completed two weeks of summer camp and our first session of Adult Clinics! We have enjoyed seeing our members, new and long term, take advantage of our clinics, whether it be learning the game in our Beginner/Refresher clinic or improving their skills with Live Ball, Cardio or our mixed doubles challenge!

Session 2 Clinics will start the week of July 19th! Check out our website for more details! Don't delay because our clinics sell out fast! We encourage all members to participate! It's a fantastic way of meeting other members!

As we move into Stage 3, we are excited to announce that we will be able to host two socials in August! We are busy planning the Junior Meet & Greet and our incredibly popular Head Demo Night! More details to come soon so stay tuned!!

We thank you all for your ongoing support. Be safe and kind to one another.

Your MTC Board & Staff
