- Ideal for Interior & Exterior

Substrates

- All Unglazed Ceramic Tile
- Vitrified Tile
- Glazed Ceramic Tile
- Glass Tile
- Glass Mosaic Tile
- Porcelain Tile

Areas of application

- For interior & exterior cleaning applications of Tiles surfaces

Certifications

Member of
Indian Green Building Council

MIXING AND APPLICATION:

Note: Shake the container well for one minute before opening the container for use.

Pour CLENZA TC on the surface which is stained. Allow it to stand for 2-3 minutes so as to react with the stain. Take a scrub pad and rub the surface. Add a little more CLENZA TC if it is feeling dry.

Rinse it with water and repeat procedure if needed. For regular maintenance of tiles, necessary dilution can be done for cleaning the tiles.

TECHNICAL DATA

Appearance	Pale Yellow liquid
Specific gravity	1.02
pH	5-6

Cautions :

Always protect neighboring surfaces including wood, carpet, metal, landscaping and other surfaces. Acids, no matter how mild, may etch, lighten or alter the color of tile depending on the quality of tile. Repeated acid washing may damage some surfaces. Avoid contact with metals. Do not mix with ammoniated cleaners as harmful fumes may result. Allow all new epoxy grout to cure as per the manufacturer's specification before using CLENZA TC. When coming in contact with Cement based grouts, it may affect the performance of the grout; may change the color of the grout. Please note that this is an acidic based cleaner and hence care should be taken while using the same. Please wear hand gloves, nose cover and wear eye protection before and while using the product. **KEEP OUT OF REACH OF CHILDREN.**

Do not use on Marbles and similar natural stones surfaces. Use MYK LATICRETE's CLENZA AQ for cleaning all Natural stones and Engineered marble or Quartz.

PACKAGING: 1 litre

COVERAGE:

Coverage depends on the porosity of surface and intensity of stains on the surface.

STORAGE:

After usage, close the container well sealed to avoid contamination and solvent loss. Store in original container only. Store and use between temperature 4° C and 40° C

WARRANTY:

MYK LATICRETE India Pvt Ltd warrants that MYK LATICRETE CLENZA TC is free from manufacturing defects and will not break down, deteriorate or disintegrate under normal usage for a period of Two (2) years from date of purchase subject to the terms and conditions stated in MYK LATICRETE Product Warranty

MAINTENANCE:

NOTE: All impregnating sealers and cleaners are maintenance products and hence surfaces applied with sealers need careful maintenance.

Maintenance of the sealed surfaces should not be done with general cleaner chemicals. Plain soft water is recommended to clean the surface. For periodic cleaning we recommend to use our MYK LATICRETE CLENZA AQ, neutral, water based cleaner. Acidic cleaners are **STRICTLY NOT** recommended. Please refer the Maintenance manual for more details.
