NEW CREATION FOR BETTER SPACE VALUE

The value of bestuhl's products based on its technology and know-how is realized when it expresses the beauty of spaces and delivers comfort to users.

Please feel free to experience the beautiful and comfortable spaces created by bestuhl's varied designs, colors and textures.

QUALITY DESIGN CRAFTSMANSHIP GLOBAL STANDARD

The extensive experience of producing hidden parts and the pursuit of high quality based on technology and systems are the foundation of bestuhl's pride for its product quality. The design made by bestuhl reveals itself as a medium of closely communicating with the essence of spaces and a story that anyone can experience, appreciate and share beyond its visual beauty.

With the artisan spirit for researching and producing core parts, bestuhl actively develops products and maintains product quality to provide users with a great experience of using its products.

Also, by meeting the global standards – Greenguard, BIFMA, EN 1335 certifications, bestuhl is deemed competent to manufacture products for global markets.

T-CABINET

The cabinet allows users to plan storage space of various sizes with its practical storage structure. By combining the cabinet based on the characteristics of the work and the size of the space, users can increase storage capacity.

Jobs based on individual schedules should have mobility and freedom of attendance in comparison with group solution-based work. By reducing personal storage, it increases common storage space and organizes the workspace most concisely.

- DESK Single-sided Leg Desk 1600
- SCREEN Desk Screen 1600
- STORAGE 3-story Combi Side Cabinet (Additional desk surface)
Side PC Cabinet

- CHAIR S29
- CABINET 3-story Open Cabinet
3-story Lower Door Cabinet
3-story Cabinet

The workspace is suitable for occupations that mostly require individual work and regard privacy as important. With the wardrobe and cabinet, the storage space is expanded while the work area assigned for individuals can be more widely applicable.

I like to spend time on a Bestuhl chair.
While sitting comfortably, I realize the possibility ideas
and the possibility of their realization.
I am immersed in the purpose of achieving successful results.
Anytime you work for Bestuhl, you are surrounded by this ethic
Again, once more, I will write their greatest story.
