

## Welcome to the Heritage Museum of Northwest Florida.

You may join as a member today to support the museum and enjoy a free tour. Please look at the green information folder and choose the type of donation you prefer. Otherwise pay the admission charge and enjoy your day as you step back in time to revisit the history of Northwest Florida.

Due to the recent Covid-19 Pandemic, the museum has modified its rules and regulations. Please be patient with us as we work together to navigate through these unsettling times. If you have any questions please see our manager, Anderson Hanna.

### Modified Covid-19 Museum Rules

Maintain social distancing in the museum and gift shop of at least 6 ft. at all times unless you are a family with children who have been in contact at home during the past few months.

There should be no more than 10 persons in one section of the museum (standard CDC guidelines.)

Wash your hands for 20 seconds after using the bathroom facility.

Do not touch or play with items in the doll house or the archeology dig in The Discovery Room.

Enjoy our paradise gardens next to the Discovery Room and employ social distancing outside in the garden as well as inside the museum.
