

Weddings and Events

Whether you are planning an informal event, an elegant cocktail reception or a lunch meeting, our team of experts and professional staff will create a bespoke event catering service.

We want your event to be perfect to the very last detail. The first step would be a short consultation with us, which is where you can express your vision for your occasion. Then we can come up with a few options so you have a few catering ideas which we can work from.

CHEESE TABLE

Variety and selection of artisanal cheeses, different types of fresh fruits, dry fruits and nuts, breadsticks and crackers.

IBERICO TABLE

Variety of the best ibéricos: ham, lomo, salami, chorizo, spanish morcilla combined with olives, bread and breadsticks.

HAM

Personally selected by our ham experts and hand carved by our professional master cutters.
