

PLAN FOR ORGANISED CRICKET MATCHES IN ENGLAND FROM 29TH MARCH ONWARDS

Undergo a personal symptom check at home prior to matches. Stay home and do not take part if you demonstrate any COVID-19 symptoms and are required to self isolate

Use own equipment throughout where possible and clean your bat when leaving field of play

No sweat or saliva is to be applied to the ball at any time. Hands and the ball should be cleaned at all breaks in play and every 6 overs

Players to remain socially distanced at all times (wicket keepers and slip fielders at 1m+). Batters should remain socially distanced from the umpire and run on opposite sides of the pitch

Use of the clubhouse, changing rooms and toilets should adhere to the latest UK Government advice

Keep a record of all those in attendance at each session, including contact details. This is to support NHS Test and Trace and is required by law.

Social distancing should be maintained during wicket celebrations and drinks breaks

Spectators are not allowed (limited exceptions apply)
