RA RECAP

- We passed the 26-27 budget. Thanks to careful budgeting for the past few years, we were able to add line items for committees and conferences. We're dedicated to building future leaders within our organization!
- PECCA petitions are out. We need signatures of certified educators (not just KCEA members) to let KCS leadership know that we want teachers helping negotiate our MOU. Please return signed petitions to the KCEA office by September 21.
- Check the KCEA website for AR vacancies. Let us know if you know anyone at these sites who may be willing to serve.
