A black and white photograph of a baseball stadium. In the foreground, the rows of empty stadium seats are visible. The baseball field is in the center, with its characteristic diamond shape and bases. In the background, there is a outfield fence with a scoreboard. Several tall stadium light towers are positioned around the field. On the right side, an orange boom lift is extended high up towards one of the light towers. The sky is filled with clouds.

everywhere. from the dugout to the upper deck.
