## **Assessment for HVAC, Insurance Specs**

Brethren of the Valley of Corinth,

Everyone, your help is needed again in a mighty big lift for our valley. We have decided, after much thought and discussion, to assess an amount from each active member (564) to help with some costs that have arisen. We brought it before the Lodge of Perfection to ask of each member at least \$120. Payable \$10 monthly for a year or if paid in one payment it would be \$100. If you would like to contribute more than that amount, we would very much appreciate it and also make record of that. The treasurer and secretary are keeping the contributions list updated.

Specifically, We have to immediately (in the next 60 to 90 days) update the breaker box and wiring for the building. We have to get our fire extinguishers and exit signs up to spec for insurance compliance. Our other issue we are working to solve, is our air condition and heating system. Our system is so old, it needs complete replacement. We have three(3) units to replace. Two service the Lodge Hall and one the Dining Hall. We are in the process of getting quotes from several vendors on all these building requirements. If you have any information or any questions you'd like to ask or help us with any of this, please contact me(662-231-9625), John Kelley(773-587-9923) or Keith Stevens(662-720-0559) and Joe Ford(662-315-1621).

Thank you for your consideration in this very important matter. It's obvious our membership numbers are not what they once were and so more is needed from those of us that are left. We few who are left to carry on the Rite.
