# Terms & Conditions for the New Green Country Invitational

**BIDS & DISPUTES:** In the case of disputes, bidding will be reopened between the parties involved. If no further bid is made, the Buyer will be the person from whom the auctioneer accepted the last bid. The Auctioneer's decision in such matters will be final.

**ANNOUNCEMENTS:** Every effort was made to assure the correctness of this catalog, however all announcements from the auction block will take precedence over the printed matter in the catalog. Buyers are therefore cautioned to pay attention to all such announcements, corrections, substitutes, and scratches.

**CERTIFICATES OF REGISTRY:** A copy of the certificate of registration will be furnished to the buyer for each animal purchased at the conclusion of the sale. After payment has been processed, the certificate and transfer application will be submitted to the NKR Registrar. After the transfer has been completed, the original certificate will be mailed to the buyer.

**HEALTH PAPERS:** Sellers will provide health certificates in your buyer's packet from the point of origin to this sale, Okmulgee Oklahoma.

**SEMEN & EMBRYOS:** ALL shipping fees for frozen assets will be the responsibility of the buyer. It is the responsibility of the buyer and the seller to finalize the transfer of frozen assets. Seller will be notified when payment clears and authorized to release frozen assets to the buyer.

**SHIPPING:** Assistance will be given in making shipping arrangements after the sale, but the NGCI Sale Management and/or the Seller assume no risk. Expenses incurred are the responsibility of the buyer. Buyers are recommended to make arrangements for shipment of live goats prior to start of sale. Buyers are requested to furnish shipping instructions when making the final payment settlement. ALL animals must be loaded at the end of the sale unless prior arrangements are made with NGCI Management. ANY animals left beyond said time frame become property of NGCI Sale Management.

**ACCIDENTS:** Although every precaution will be taken to protect the safety and comfort of all sale attendees and livestock consigned to this sale, neither the NGCI Sales Management, the Auctioneer, nor Seller's assume any responsibility in the matter and disclaim any liability, legal or otherwise, in case of accidents or loss of property/livestock.

**RIGHTS & OBLIGATIONS:** The above terms of the sale will constitute a contract between the Buyer and the Seller and be equally binding to both. Resale of animals following purchase in the sale will constitute a separate transaction and the rights and the obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. The New Green Country Invitational (NGCI) sale management is coordinating the auction as a service to its consignors and is acting only as an agent. The NGCI sale management is not responsible for the health or pedigree information of the animals in the NGCI sale.

**LOADING OF ANIMALS:** **NO ONE** is permitted in the back with the animals after the start of the sale or during load out except those designated by NGCI Management. No loading of animals will take place until 15 minutes past the end of the sale. To load out your animals, you will need a load-out sheet for the load-out team. This will be provided by the clerk when you pay out. You will also need to stop by the NGCI clerk table to get your buyer's packet for each animal. For pickup, enter through the EAST gate and go to the barn. **SELLERS**, be sure your lots have sold before you leave. Any animal left becomes property of NGCI Management.

# Try a couple of GOAT recipes!

## Chili Verde con Cabrito

2 ½ to 3 lbs goat meat cut into ½ inch cubes

Combine:

2 ½ cups water

1 T salt

1 ½ t black pepper

1 t garlic powder

2 t chili powder

½ t cumin

4 T olive oil

Marinate meat in this mixture in Ziploc bag refrigerated for at least 30 minutes.

While the meat is marinating place the following on a foil covered baking sheet:

1 ½ lb fresh tomatillos cut in half

2 poblano peppers cut in quarters

1 large onion cut in quarters

4 cloves peeled garlic

Roast in 350 degree oven until tomatillos are soft.

Blend with ½ t salt, ¼ t pepper, ¼ t oregano to make chili sauce. You can make it smooth or chunky to suit your taste.

Remove meat and discard marinade.

(Hint; If meat is from a mature animal sprinkle it with meat tenderizer.) Roll meat cubes in flour with a little salt and pepper and pan fry until it is golden.

Combine meat and chili sauce and let it simmer together in the oven for a few minutes. Serve it hot with corn tortillas that have been lightly fried but are still soft.

## Jamaican Curry Goat

2 tbsp sunflower oil divided

1.5 lb diced goat

1 onion finely chopped

2 tsp minced ginger

3 tbsp mild curry powder

1 tsp ground pimento all spice

0.5 tsp white pepper

Chopped Scotch bonnet or other chili to taste

14oz can chopped tomatoes

1.7 cups lamb or chicken stock

6 sprigs of fresh thyme sprigs

14oz tin black-eyed beans, drained and rinsed

Small bunch of coriander chopped

Lime juice to taste

Preheat 1 tbsp of sunflower oil in a pot and brown the meat in batches and set the meat aside.

Add 1 tbsp of oil to the same pot and sauté the onion for 5-10 minutes. Then add the meat back into the pot.

Mix in the garlic, ginger, curry powder, pimento and white pepper and chili until the meat is well coated.

Stir in the chopped tomatoes, stock and thyme leaves, bring to the boil, cover and then reduce to a simmer for about 2 hours (if your goat meat is tough then you might need an extra 30 mins or so)

In the last 30 mins of cooking add the beans and cook uncovered till done.

Serve with some rice, or roti, coleslaw and plenty of hot pepper sauce
