

When it comes to BBQ, Texas brings the heat! While other states present worthy contenders, Texas pitmasters are considered royalty when it comes to grilling brisket, pork ribs, and sausage. The Texas tradition of BBQ has deep history in our state and the flavors shine through as part of the rich culture that makes each area of our state unique. The restaurants included in this brochure are a just few of the "grate" Texas legends of the grill.

THE 8 DIFFERENT WAYS TO SPELL BBQ

There are few words in the English language that have more variations of spelling than barbecue. The reason that this is a misspelling has to do with the pronunciation. There are only a few words in the English language that end in -cue, like rescue or miscue. The truth is, there is only one correct way to spell barbecue—and this is it.

NO MATTER HOW YOU SPELL IT...
IT'S DELICIOUS!

BARBECUE

WHAT EXACTLY IS TEXAS BBQ?

Think of it simply as a segment of Texan cuisine that specializes in grilled and smoked meats. Traditionally, there are many side dishes that accompany. Beef brisket and various pork products are considered the state specialty, with brisket, sausage, and pork ribs in particular. In some instances, Texas-style barbecue has merged with another state mainstay, Tex-Mex cuisine.

THE 4 STYLES OF TEXAS BARBECUE

Any Texas pitmaster will tell you that there isn't one single style of Texas barbecue, but as a general rule, there are four main styles that play into the Texas tradition:

CENTRAL TEXAS BARBECUE:

Expect a very simple dry rub, often just salt and pepper. The meat is smoked for many hours at low temperatures, typically over mesquite, pecan, or oak wood. The meat is usually presented on a plate or on a piece of butcher paper with white bread served as a side dish.

EAST TEXAS BARBECUE:

Similar to Central Texas BBQ, East Texas BBQ involves slow smoking using indirect heat. To differentiate, East Texas BBQ is known for its "falling off the bone" quality, which means very long cooking times, almost always over hickory wood, which grows readily in the state. It tends to come marinated in a sweet tomato-based sauce. Both pulled pork and beef brisket are normally served on a bun with pickles and hot sauce.

SOUTH TEXAS BARBECUE:

This style features a sweet sauce, but unlike the tomato-based sauce of East Texas, it favors a molasses-based barbecue sauce. South Texas barbecue is heavily intertwined with Mexican cuisine, and it is regionally known as barbacoa. This take on BBQ often features unexpected cuts of meat such as tongue and cow's head.

WEST TEXAS BARBECUE:

Unlike other varieties of Texas barbecue, the West Texas style is traditionally cooked over the direct heat of an open flame. West Texas barbecue is specifically associated with mesquite wood, as mesquite is one of the few tree species that thrive in the arid West Texas climate.

SIDE DISHES THAT COMPLIMENT THE TEXAS BARBECUE EXPERIENCE

The Texas barbecue experience goes beyond grilled and smoked meats. Nearly all of the best BBQ joints in the state offer a wide array of side dishes to complement the smoky flavors of beef ribs and brisket, pulled pork, sausage, and chicken, which include:

WHITE BREAD
CORNBREAD
PICKLES
JALAPEÑOS

POTATO SALAD
COLESLAW
SLICED ONION

THE BBQ HOT LIST

We're proud to present your link to the finest barbecue in Central Texas, including new comers and old favorites. The locations below are all restaurants with brick and mortar establishments, serving all the briskets, ribs, and sausages a person could ever want.
