What is the best 10 speed cassette?
Shimano HG81 SLX 10

Wiggle's best selling 10-speed mountain bike cassette is the Shimano HG81 SLX 10 Speed Cassette. Meanwhile, 11-speed mountain bike cassettes come in even larger sprocket ranges, providing an even greater gear ratio choice, such as 11-40, 10-42 and even 11-46.

Torque-based Pedal Sensor

- Adjust power output in real time.
- Technically amplifying your every input.
