

## ***CAPABILITY STATEMENT***

***Proudly Servicing the Pennsylvania, New Jersey & Delaware regions for over 25 years***

### **About US**

Domar Contracting Company is a family owned & operated business that has been serving the Delaware County 7 surrounding areas for over 25 years. Many of our accounts have been with us 20+ years. Our specialties include commercial flat roofing, maintenance plans, and new roofing and repairs. Our best referrals have always been word of mouth through satisfied & repeat customers. Domar keeps up to date with the latest products and innovations to better serve our customers. Domar Contracting is a trusted name in the roofing industry as we committed to doing a perfect job, every time.
