#### **March 2021 event**

Due to the most recent update from the Welsh Government (12/03/2021) we have been with left with no choice but to cancel the March event. The eagle eyed amongst you would have noticed that the event had already moved to Swansea Bay golf club as Pennard had informed us that should golf be available on the date we had booked they would be restricting the course to members only. We have moved Pennard to October.

Today's news does, however, bodes well for the April event, where we plan to relaunch Impromptu with a bang! We are envisaging that this event will be very busy, so we are opening the bookings now. To reserve your place click below.

We are currently working with Swansea Bay to see if we can still use those tee times as guests. If you would like to play (places are very limited) then drop me

a quick email. Please bear in the mind the travel restrictions we have in place at the moment before booking.

### **Impromptu Golf branded accessories**

We have taken delivery of the the first of the range of branded accessories. If you keep an eye on the 'look the part' section of the website the will see the pictures of these items appearing over the course of the next few days.

If you'd like to order an items (myself and Dave are particularly taken by the caps) then please get an orders to ourselves by April 8th to ensure they will be ready for collection at the April event.

### **Sponsorship Opportunities**

->At Impromptu Golf events all the holes and the day itself are available for sponsorship. Our popup boards with your brand on them will be placed on a tee box event day for as long as the club allows. Day sponsors will have their brand placed in the club house. If you'd like to become a sponsor or would like to more information, just click below.
