

Hello!

Impromptu golf website launches

=====

Last week saw the launch of the new Impromptu Golf website, click **here** to take a look.

On the website you see details for all the events we have this year and how to book them.

As you're probably aware, new website means new email address. Please add **Duggie@impromptu.golf** into your address book. All emails to do with Impromptu Golf should come from and be sent to this address from now on please.

This is the first of series of developments that Impromptu will go through this year. So stay tuned!

Look the part

=====

On the website you'll also find the 'Look the part' page where you can buy some of the new Impromptu Golf branded clothing and accessories. From Polo-shirts to Umbrella's we've got you covered.

For now items can only be collected at events and please allow two weeks for your order to be completed. If you want to collect anything at the Ashburnham event then the deadline is 11/02/21

Pandemic Update

=====

We have booked a full calendar of events for the year ahead, but obviously, things may change as the pandemic restrictions dictate. Now, myself and Dave are firmly in the glass half full brigade, we're going to assume that every event is on at the moment. If things change we will let you know the Friday before. For Ashburnhan, that will be 19/02/20.

We are also limiting each event to a maximum of 28 golfers for the time being, as and when restrictions change that limit will change too.

**Stay Safe,
Duggie and Dave**
